

PROCLAMATION

Shooting

Class divisions

- Men Air pistol and air rifle.
- Women Air pistol and air rifle.

Individual tournament for women and men with additional team score (3 shooters per company).

Game model - Teams

1. A team consists of 3 marksmen.

Before the tournament starts the team captain designates the 3 marksmen whose results will contribute to the team performance.

2. Weapons/disciplines: air pistol and air rifle. A marksman can take part in both disciplines.
3. Distance to target - 10 m or depending on available rifle ranges.
4. Men will fire 60 shots and women 40 shots.
5. A woman who participates in a men's team will fire 60 shots.
5. Team points are based on individual results.

Team members will also be listed individually.

Game model - Individual

1. Weapons/disciplines: air pistol and air rifle. A marksman can take part in both disciplines.
2. Distance to target - 10 m or depending on available rifle ranges.
3. Men will fire 60 shots and women 40 shots.
4. If a woman participates in a men's team, the first 40 shots will be included in the individual calculation.

Individual matches

1. Will start with an introductory round.
2. The best 8 marksmen in each class will go forward to a final round. Points from preliminary rounds are carried forward to the finals.

Rules

1. Unless otherwise specified, the rules of the **International Shooting Federation (ISSF)** apply. **ATTENTION:** The importation rules for the number of bullets differ per country, even in the EU.
2. Referees must apply international rules.
3. Detailed game rules will be published in the tournament program.
