### **Rules**

- General Rules of World Darts Federation (WDF) apply (except otherwise specified).
- Use of steeldarts only.
- All tournaments use the “straight start - finish on a double” principle.
- Bull is thrown to decide the player’s order. The player who throws closest to the bull will start the game. The first name that appeared on the draw sheet throws first for the bull, the second name second and vice-versa if there is a tie. If a “Hill-Hill” occasion arises, the player who won the bull will start first in the deciding leg.
- There is a 51 darts limit to each leg of every game. If a leg is not over after both players complete their 17<sup>th</sup> throw, they both throw for the bull and the one closest to it wins that specific leg. First for the bull throws the player which started first in that leg.

- Participants need to report to the Control Desk at least half an hour before starting time to validate their registration and get their tournament ID's.
- All games start at a predetermined time set by the organizer. Players have the responsibility to arrive on time and are obliged to present themselves to the corresponding board within 5 minutes after they are called upon. Failure to show up on time may result in a forfeit loss.
- Winners of each game have the responsibility to update immediately the organizer with the exact result of the game they played.
- All questions concerning score checks must be made before the player throws again.
- Each player marks their own score (except if a volunteer is willing to do so).
- 9 warm-up darts are awarded to each player before the start of 1<sup>st</sup> leg.
- No player will be allowed to participate without accreditation.
- No smoking (cigarettes / e-cigarettes etc.) nor eating is allowed inside the tournament premises.
- No headgear allowed except for religious or medical reasons.
- The organizers reserve the right to alter the schedule and playing format according to circumstances.
